

# Case Study Group

Hey [NAME]!

I'm launching a private case study group.

I have only reached out to 20 people.

It's only [X] of the previous investment discussed, but there's a catch.

The reason why I am doing this is to get a bunch of incredible stories and testimonials to showcase on social media.

Additionally:

- You have to be able to handle fast results
- Your goal must be more than a 8/10
- You must be able to keep a secret

I'm only taking on 10 people, and I am closing the doors by Friday.

Are you interested to find out more information?

P.S. you can secure your spot now, and start in [MONTH]!
